

SSES PTO

Dear Student/Parents,

The 2017 Walkathon will be held on **Friday, September 29th**, and we need your help to make it a success!

Please use the included Walkathon letter as a guide to help you ask family and close friends to consider a donation to your Walkathon efforts. You can mail it to them or send it via email (we will provide an electronic version through the school newsletter to make this easy for you). For anyone you collect money from in person, please fill out the Donation Form and turn it in with their checks/cash to your teacher.

The Walkathon is important because it funds the PTO programs & activities for all students for the entire school year.

The best reasons to get involved: the PTO will not ask students to sell any items throughout the year, 100% of your donation will go to the PTO, and your donation is also tax deductible!

This year, there will be rewards for reaching individual student goals and classroom goals! There are 3 levels of goals: Gold, Silver, and Bronze!
