

SSES PTO

July 27, 2016

Dear Community Partner:

When I think about what makes Shamrock Springs Elementary School a top notch school, I think of our teachers, staff, students, parents, and the community that has supported our PTO throughout the years. Through your support, SSES PTO has provided the staff and students with cultural enrichment (school wide convocations offering students a window into other countries), family friendly events (trunk or treat, Fall Event, Spring Spectacular), technology (iPad carts, Boogie Boards), and new play ground equipment to name just a few. This year we are reviving up before school starts to secure our funding for the entire school year. Our focus is to continue to provide enriching experiences for the students, updating our science laboratory, and assist in the development of the new state of the art outdoor science lab. Our fundraising goal for the school year is \$30,000.

SSES reaches over 380 unique families in our community. Your investment into SSES will bring your business the following perks:

Platinum - \$2,500	Gold - \$1,000	Silver - \$500	Bronze - \$250
